TOWN MEETING

Annual Town Meeting, March 6, 1905

WARRANT

ESSEX, SS: To either of the Constables of the Town of Andover. GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Andover qualified to vote in town affairs to meet and assemble at the Town House, in said Andover, on Monday, the sixth day of March, 1905, at six o'clock, A. M., to act on the following articles:

Article 1st.—To choose a Moderator to preside at said meeting.

Article 2nd.—To choose Town Clerk, Treasurer, Collector of Taxes, three members of the Board of Selectmen for one year, one member of the Board of Health for three years, three members of the School Committee for three years, one Trustee of Memorial Hall for seven years, one Trustee of Cornell Fund for three years, one Park Commissioner for three years, two members of the Board of Public Works for three years, one Tree Warden for one year, three Auditors of Accounts, three Constables, Fence Viewers, Field Drivers, Surveyors of Lumber, Fire Wards, a Pound Keeper, one Surveyor of Highways, and any other officers the town may determine to choose.

Article 3rd.—To take action on the following question: "Shall license be granted for the sale of Intoxicating Liquors in this town?"

Article 4th.—To determine what sums of money shall be appropriated for Schools, School-houses, School-books and Supplies, Highways and Bridges, Macadamized Roads, Sidewalks, Removing Snow, Horses and Drivers, Street Lighting, Town Officers, Police, Public Works (Maintenance, Construction and Sinking Funds), Sinking Fund for Memorial Hall Notes, Fire Department (Maintenance and Fire Alarm), Town House, Almshouse, Repairs on Almshouse, State Aid, Military Aid, Relief out of Almshouse, Soldiers' Relief, State Tax, County Tax, Abatement of Taxes, Interest on Bonds, Funds and Notes, Redemption of Water Bonds and School-house Bonds, Notes Payable (Town House Improvement), Printing and Stationery, Miscellaneous, Memorial Day, Insurance, Spring Grove Cemetery, Hay Scales, Park Commission, Tree Warden, Public Dump, and other town charges and expenses.

Article 5th.—To see if the Town will establish and maintain a fire alarm box to be located at the corner of Spring Grove and Porter Roads, and appropriate a sum of money for the same, on petition of Henry A. Hayward and others.

Article 6th.—To see if the Town will establish and maintain a fire alarm box to be located at the corner of Elm and Pine Streets, and appropriate a sum of money for the same, on petition of H. M. Eames and others.

Article 7th.—To see if the Town will appropriate a sum of money for hose to connect with the nearest hydrant on Porter Road for the safety of buildings in case of fire, on petition of Henry K. Flint and others.

Article 8th.—To see if the Town will appropriate a sum of money sufficient to put the sidewalk and gutter on North

Main Street in perfect condition, on petition of C. H. Jowett and others.

Article 9th.— To see if the Town will instruct its Highway Surveyor to expend on Morton Street, between School and Main Streets, a sum of money sufficient to put said street in a condition equal to other streets in the centre of the town, on petition of Walter Buck and others.

Article 10th.— To see if the Town will construct a walk from corner of Whittier Street across Punchard and John Dove School grounds to the Stowe School, for the benefit of school children, and appropriate a sum of money therefor, on petition of John H. Soehrens and others.

Article 11th.— To see if the Town will vote to extend its water service to the house of George L. Averill on Reservation Street and appropriate a sum of money therefor, on petition of George L. Averill and others.

Article 12th.— To see what action the Town will take in regard to observing " Old Home Week ", and appropriate a sum of money therefor.

Article 13th.— To see if the Town will locate an incandescent light on River Street, Ballardvale, and appropriate a sum of money therefor, on petition of Thomas E. Stott and others.

Article 14th.— To see if the Town will rename that portion of Gardner Avenue between Main Street and Holt Street, calling it Reservoir Street, on petition of Mrs. Abbie M. Smart.

Article 15th.— To see what Town Officers shall hereafter be chosen by ballot in addition to those already so chosen.

Article 16th.— To see if the Town will revise and accept the list of Jurors as prepared and posted by the Selectmen.

Article 17th.— To see what action the Town will take in

regard to the matter of the Bailey School-house, carried over from last Annual Town Meeting.

Article 18th.— To see what action the Town will take in regard to establishing street bounds, and, if necessary, appropriate a sum of money therefor.

Article 19th.—To act upon the report of the Town Officers.

Article 20th.—To fix the pay of the Firemen for the ensuing year.

Article 21st.—To determine the method of collecting taxes for the ensuing year.

Article 22nd.—To determine what disposition shall be made of unexpended appropriations.

Article 23rd.—To authorize the Town Treasurer to hire money for the use of the Town in anticipation of taxes for the current year, upon the approval of the Selectmen.

Article 24th.— To determine the amount of money to be raised by taxation for the ensuing year.

Article 25th.— To transact any other business that may legally come before the meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Selectmen at the time and place of meeting.

Given under our hands at Andover, this thirteenth day of February, in the year one thousand nine hundred and five.

B. FRANK SMITH,
SAM'L H. BOUTWELL,
S. H. BAILEY,
} *Selectmen of Andover.*

ANDOVER, March 6, 1905.

ESSEX, SS.:

Pursuant to the foregoing Warrant, I, the subscriber, one of the Constables of the Town of Andover, have notified the inhabitants of said town to meet at the time and place, and for the purposes stated in said Warrant, by posting a true and attested copy of the same on the Town House, on each school-house, and in not less than five other public places where bills and notices are usually posted, said Warrants have been posted two Sundays.

WILLIAM L. FRYE,
Constable of Andover.

At a legal meeting of the inhabitants of the Town of Andover qualified to vote in town affairs, convened at the Town House in said Andover, on the sixth day of March, 1905, at six o'clock in the forenoon, agreebly to the requirements of the foregoing Warrant, and after the reading of part of the same by the Town Clerk it was

Voted, To dispense with the further reading of the Warrant.

HIGHWAY SURVEYOR'S REPORT

To the Selectmen of the Town of Andover :

GENTLEMEN : I herewith present my report on Highways and Bridges.

We began work on Walnut avenue March 28th, grading it beyond James Grosvenor's residence, and then the entire length of Maple avenue. Shawsheen road was graded on the hill near Peter D. Smith's residence.

We then macadamized Salem street beginning where we left off last year at the Highland road, putting in 1000 feet, thus connecting it with South Main street.

May 8th we commenced on Lowell road in Frye Village near the Shawsheen River bridge and graveled as far as Warren Mooar's. We repaired the road from West Centre fountain to George Phelps'. Four hundred feet of Telford road was put in on Poor street, south of Lowell road. We graveled Whittier street, Summer street, from Elm street nearly to Mr. Welch's house.

We repaired several hundred feet on Missionary Lane, also the same on Highland Road. We graded Chestnut street from Main to Bartlet street, also about 200 feet near Warren Berry's. We graveled Porter street from the house of Henry Flint around the corner near the Weld place as far as the gate at Spring Grove cemetery. Also several hundred feet near the Stickney place.

A catch basin was put in on River street, Ballardvale, and piped through the company's land to the river, this being the only way the street could be drained. Two catch basins were put in on Morton street between Main and School street and the street and sidewalk were repaired.

About 700 feet were graveled on Lovejoy road, 1000 feet on Greenwood road and several hundred feet on Lowell street near the Carruth farm. The ledge was blown out of

the Cutler road and the road repaired between Daniel Murphy's and Lowell street. Phillips street was repaired and also a few hundred feet on Woburn street.

We raised the sidewalk on Poor street, Frye Village, and repaired the one on Lowell road near Mr. Lindsay's. A sidewalk was built the entire length of the west side of Pine street. The sidewalk on Elm street from Whittier to Summer street was taken down to grade. A new sidewalk was built on Whittier street from Summer to Elm street. Several old walks have been repaired. The gutter in front of Wm. Wood's in Frye Village has been paved at his expense; also in front of Village hall in Abbott Village.

Concrete sidewalks have been laid under betterment act in the following places: in Frye Village, 400 feet on Main street, north of Harding street in front of Jewett's, the gutter paved the same distance, the entire length of Brooks street, on School street, from Abbot street to the gate of Abbot Academy, on Salem street and on Highland road. The concrete sidewalks have been repaired on Elm, Essex, Chestnut, Central, Main and Salem streets. A concrete crossing was put in on High street and those on Main street were repaired. Concrete driveways were laid as follows: one on Chestnut street, two on Central street, one on Salem street.

The street from Tyer Rubber Co., to the square has been macadamized. Two hundred feet of macadam was laid on Main street, below the Railroad bridge. Four hundred feet was placed on Essex street near the Railroad station. Twenty-two hundred feet was laid on Lowell street from Harry Abbott's to the corner at Greenwood road in West Parish.

Gutters and catch basins have been thoroughly cleaned. The road machine was not used in the spring on account of the dry season.

Work has been done for the Boston and Maine, for the

Village Improvement society, gravel sold and the roller let, for which the Town Treasurer has received the money.

The streets in Ballardvale have been kept in good condition by the Town team kept there.

The balance of the appropriation left from last year for the new street between Elm street and Walnut avenue has been expended on the street and sidewalk.

Earnings of Town Teams

On highways —		
Team driven by		
F. Smith, 70 days at $4.50,	$315 00	
F. Morse, 93 days at $4.50,	418 50	
Wm. Rea, 180 days at $4.50,	810 00	
J. Haggerty, 197 days at $4.50,	886 50	
	$2430 00	
Sprinkling,	923 00	
Fire department,	245 00	
		$3598 00

This does not include any earnings of the horses by removing snow.

Respectfully submitted,

JOSEPH T. LOVEJOY,
Highway Surveyor.

OVERSEERS OF THE POOR

Our Almshouse is under the efficient management of Mr. and Mrs. George L. Burnham, and we feel that the aged and infirm who find it necessary to spend their declining years there, are fortunate in having so comfortable a home, and in being looked after by these most competent and kind hearted people. The inmates are all well fed and clothed, and have every comfort consistent with their situation.

Our town's people are invited to visit this home and see for themselves how the poor people there are cared for.

While the inmates of the house are so comfortably provided for, the accommodations for the cattle are not up to what they should be. If our town intends to carry on the farm, a new barn, one that will be a credit to the town, is very much needed as it would be a waste of money to attempt to repair the old one.

Almshouse Expenses

Appropriation, March 6, 1905,		$5000 00
George L. Burnham, superintendent,	$800 00

FIRE DEPARTMENT

REPORT OF CHIEF ENGINEER

To the Board of Selectmen:

Gentlemen:—In compliance with the regulations of the Fire Department, I submit the following report:

The force consists of three engineers, eighteen members of Steamer Co. No. 1, and Hook and Ladder Truck and ten members of the J. P. Bradlee Co., No. 2.

The apparatus consists of two third class steam fire engines, two two-horse hose wagons, one one-horse hose wagon and two hook and ladder trucks. There are rising five thousand feet of hose in good condition.

Schedule of Property

Two Engine houses and shed,	$16000 00
Two steam fire engines and apparatus,	5000 00
Eight horses and harnesses,	1500 00
One ladder truck,	250 00
One ladder truck,	1400 00
Three hose wagons,	800 00
Hand engine,	200 00
Total,	$25150 00

There have been nineteen bell alarms, two false alarms, and twenty-eight brush fires.

Value of building and contents where fire occurred,	$51325 00
Insurance on building and contents where fire occurred,	35950 00

Loss on building and contents where fire occurred, 11295 50

I recommend an appropriation of $3800 for the running expenses and care of fire alarm for the ensuing year.

I also recommend the installing of a storage battery in place of the battery we now have. It would be a saving of about $150 per year.

Respectfully submitted,

LEWIS T. HARDY,

FEB. 4th, 1906. *Chief Engineer.*

POLICE DEPARTMENT

REPORT OF CHIEF OF POLICE

ANDOVER, Jan. 1st, 1906.

TO THE BOARD OF SELECTMEN:

Gentlemen, — In accordance with the regulations of the Police Department, I submit my sixth annual report.

Whole number of arrests from Jan. 1st, 1905, to Dec. 31st, 1906, sixty-two as follows:

Arrests

Assault,	10	
Drunkenness,	13	
Cruelty to Animals,	2	
Violation of Town By-Laws,	3	
Unlicensed dog,	1	
Trespass,	1	
False Alarm of Fire,	2	
Common drunkard,	1	
Interfering with an Officer,	1	
Disturbing the Peace,	4	
Malicious Mischief,	1	
Profane Language,	1	
Safe keeping,	2	
Disturbance,	2	
Larceny,	2	
Fishing on the Lord's day,	1	
Fishing in Shawsheen River,	10	
Breaking and entering,	1	
Robbery,	1	
Insane,	3	
Total,		62

Disposed of as follows:

Probate,	11	
Committed to Tewksbury,	3	
Committed to State Farm,	1	
Discharged,	10	
Paid fines,	29	
Committed to Lawrence Jail,	4	
Bound over to Grand Jury,	4	
Total,		62

Miscellaneous

Burglaries reported,	5
Value of property stolen,	$375 00
Value of property recovered,	150 00
Value of Equipments of Police Department,	255 00
Fines Paid Town Treasurer,	155 00
Fines Paid Commonwealth,	50 00
Persons locked up,	29

Owing to the numerous breaks in the immediate vicinity I would recommend one more night officer.

Respectfully submitted,

WILLIAM L. FRYE,

CHIEF OF POLICE.

TREE WARDEN'S REPORT

During the past year we have trimmed out some fifteen miles of road, by removing the bushes in the outlying districts. We were unable to cover the town as efficiently as we would liked to have done, as the recent law enacted by the Legislature in May, 1905 relative to the destruction of the Gypsy and Brown tail Moth, necessitated a larger expenditure of money than was anticipated. However the Brown tail Moth nests have been removed from all the trees and undergrowth on the highway from boundary to boundary. We have now within our town a far worse enemy to fight than the Brown tail Moth (namely the Gypsy moth) which will require the united effort of every property holder to keep in check. It has already been found in quite a number of places in Andover, in at least forty places already, which have all been carefully looked over and all egg clusters destroyed. The Gypsy moth question will have to be carried on uniformly from now and will require a large expenditure of money, as all trees in the immediate vicinity of the infested tree will have to be burlapped and the undergrowth cut out in order that we may keep it in check. In order that the voters may have some idea as to how wide a range the Gypsy Moth has gained I name the following territory: Main street, Chestnut, Elm, High, Morton, Central, Summer, Salem, Highland Road, Porter, Poor, Bartlet, Florence, Hidden Road, Sunset Rock Road, Shawsheen Road and Fosters Pond. And in closing my report I would ask that all property owners will make an effort to rid their trees of these pests at once. We are already at work on private property and intend to clean up all places not already cleaned up, at once. And I would ask that the sum of twenty-five hundred dollars ($2500) be appropriated that the work may be carried on at once and in that way keep the Gypsy and Brown tail Moth in check.

J. H. PLAYDON,
Tree Warden.

REPORT OF INSPECTOR OF MILK

To the Honorable Board of Selectmen —

GENTLEMEN: I herewith submit my annual report for the year ending December 31, 1905.

There were twenty-eight licenses granted for the sale of milk during the year. Four of these were issued for the sale of milk in stores, one for the sale of skimmed milk, two for the sale of cream and twenty-one pedlers. Samples of milk from the various dealers have been tested from time to time and have uniformly been above the standard. It is gratifying to report that there have been few complaints and the dealers have always signified a willingness to do their part in keeping up the excellent standard of milk that is sold in town.

Respectfully submitted,

GEORGE E. HUSSEY,

Inspector of Milk.

SPRING GROVE CEMETERY

The Cemetery Committee herewith submit their annual report for the year 1905:

The usual work needed for the care of the cemetery has been carefully executed and the new plot graded and made ready for interments. During the year the storage building in the cemetery was destroyed by an incendiary fire and a larger appropriation than usual will be needed to replace the same and carry on the work necessary for the care of the grounds. It is the desire of the committee that the town water might be made available for use in the cemetery, as many lot owners have requested that such an arrangement might be made. Your committee have also been requested to ask that the sidewalk, on the road running from Mr. Hemenway's to the cemetery, be placed in proper condition for public travel. Some years ago this walk was built, but of late has been in a miserable condition and would require but a small expenditure to place it in proper condition.

Your committee request that an appropriation of $1000, with the proceeds of the sale of lots, be made for the ensuing year.

JOHN L. SMITH,
F. G. HAYNES,
CHAS. GREENE,
GEO. W. FOSTER,
OLIVER W. VENNARD,
GEORGE D. MILLETT,
JOHN W. BELL,

Cemetery Committee.

ANDOVER, Mass., February 14, 1906.

PARK COMMISSIONERS' REPORT

The work carried on under the direction of the Park Commissioners during the past year has centered round the Common, although some expense has been incurred in the care of Carmel Woods and maintenance of "The Boulders."

At the Common real progress has been made toward the completion of the full plan as set forth several years ago by the landscape architect. Many more shrubs have been set out, new paths constructed and a very ornamental, rough stone bridge now connects the two sections of the plot.

All of the work has been done here in a most thorough manner and a continuance of the present policy will in due time give to the town a beautiful park. The commissioners will recommend within the next year or so the closing of the street between the Common and the public school grounds, so far as it exists as a public highway, the plan for the completion of the full scheme providing for a park avenue which will care for all the travel while making the grounds more attractive.

As the plans develop for the lay out of this desirable central park, your commissioners believe that the public becomes more anxious for an early completion of the entire work. Certainly the appropriation this year should be no less than that of last year and our citizens should seriously consider the wisdom of an appropriation for the completion of the entire work.

Respectfully submitted,

JOHN N. COLE,
MYRON E. GUTTERSON,
T. FRANK PRATT,
Park Commissioners.

ASSESSORS' REPORT

We herewith submit our Annual Report:

Number of male polls assessed,		1741
Personal estate,	$1,481,347 00	
Real estate,	4,421,321 00

REPORT OF
TAX COLLECTOR

To the Board of Assessors:

With this I hand you my report for the year ending Jan. 9, 1906.

While the results attained have not been all that I had hoped for, yet some gain has been made and the accounts for the past ten years, over which the uncollected taxes extended, have been put into better shape, and some errors corrected, so that the coming year should show a still greater improvement. A careful going over of all these accounts for ten years, which seemed necessary before the Collector could feel that he was proceeding on a sure footing, has required much time and correspondence and delayed somewhat the actual work of collection.

The assessors, after consulting the town counsel, abated the amounts found in the accompanying report for the years 1896 to 1901. They comprise almost entirely the poll taxes of deceased and poor persons, and of others who have gone away, also a small amount of personal property and real estate, which was not available, the stock or property having been sold out or changed hands, and the original owners having left town.

MEMORIAL HALL

THIRTY-THIRD ANNUAL REPORT OF THE BOARD OF TRUSTEES

The annexed statistical reports of the Treasurer, Librarian and Custodian of the Cornell Art Gallery, with the full list of accessions, will serve to show the varied service of the Library during the past year—in the constant use of its Reading Room and Reference Room, the enjoyment of the Art Collection, both by adults and children, and the circulation of books through individual drawers, in the public schools and by carrier in the outlying districts.

In addition, the beginning of a special collection of books has been made by an appropriation from the Lieut. Governor Phillips Fund, established by the founder of Phillips Academy in his life-time. As this can, by the terms of the gift, be used only for the purchase of books of a religious character it has been thought wise to devote it in part to works which will be of practical use in the current missionary and Sunday school studies in the different churches of the town. These volumes are distinguished by a special book-plate and by "P" in the accompanying accession list, and will be so indicated in the bulletins published from time to time in the *Townsman*. They may be found in a special case in the Cornell Reference Room, but may be drawn like any other books, with the exception of a few works of reference.

The Trustees make grateful record of the continued generosity of the Smith family of Andover, by whom in large part the Memorial Hall was originally founded, in the recent bequest of Mrs. Helen G. Coburn, of Boston, daughter of the

late Mr. John Smith. Mrs. Coburn in her lifetime had defrayed the expense of a new printed catalogue, and the present addition to the endowment funds, made by her will, is twenty-five thousand dollars. It is expected that the increased income from this source, when received, will provide for making needed improvements in the equipment and administration of the Library.

Mention should be made also of a special private gift which has been expended for constructing a toilet room for the use of the patrons of the Library, and for the binding of sixteen volumes of the *Boston Evening Transcript.*

By vote of the Trustees, families not already supplied with the printed catalogue may secure a copy by application to the Librarian. The patrons of the Library are again reminded of their privilege in suggesting books for purchase, as funds may allow, the titles to be placed on slips furnished by the Librarian.

Respectfully submitted,

JOSEPH W. SMITH,
E. KENDALL JENKINS,
FRANCIS H. JOHNSON,

BALLARD HOLT,

LIBRARIAN.

Report of the Custodian of the Cornell Art Gallery

To the Trustees of the Memorial Hall Library:

GENTLEMEN: — The Cornell Art Gallery has been visited during the year by 3707 persons; of this number 1522 were adults and 2185 were children, an average daily attendance of 36.

Since the vote of the Trustees to admit children to the Gallery only on Friday and Saturday afternoons, the attendance of adults on Saturday evening has materially increased, and there is manifest appreciation of the quiet of the room.

The only addition to our Collection during the year has been by a gift of stereoscopic views from Mrs. H. L. Blake, which are much used. Many of the stereographs have been loaned to the teachers in the public schools to illustrate the study of Geography.

Respectfully submitted,

JULIA E. TWICHELL.

FINANCE COMMITTEE

TOWN WARRANT

COMMONWEALTH OF MASSACHUSETTS.

ESSEX, SS: To either of the Constables of the Town of Andover. GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Andover, qualified to vote in town affairs, to meet and assemble in the Town House, in said Andover, on Monday, the fifth day of March, 1906, at six o'clock, A. M., to act on the following articles:

Article 1st.—To choose a Moderator to preside at said meeting.

Article 2nd.—To choose Town Clerk, Treasurer, Collector of Taxes, three members of the Board of Selectmen for one year, one member of the Board of Health for three years, three members of the School Committee for three years, one Trustee of Memorial Hall for seven years, one Trustee of Cornell Fund for three years, one Park Commissioner for three years, one member of the Board of Public Works for three years, one Tree Warden for one year, three Auditors of Accounts, three Constables, Fence Viewers, Field Drivers, Surveyors of Lumber, Fire Wards, a Pound Keeper, one Surveyor of Highways, and any other officers the town may determine to choose.

Article 3rd. To take action on the following question: "Shall License be granted for the sale of Intoxicating Liquors in this town?"

Article 4th.—To determine what sums of money shall be appropriated for Schools, School-houses, School-books and Supplies, Highways and Bridges, Macadamized Roads, Sidewalks, Removing Snow, Horses and Drivers, Street Light-

ing, Town Officers, Police, Public Works (Maintenance, Construction and Sinking Funds), Sinking Fund for Memorial Hall Notes, Fire Department (Maintenance and Fire Alarm), Town House, Almshouse, Repairs on Almshouse, State Aid, Military Aid, Relief out of Almshouse, Soldiers' Relief, State Tax, County Tax, Interest on Bonds, Funds and Notes, Redemption of Water Bonds and School-house Bonds, Notes Payable (Town House Improvement), Printing and Stationery, Miscellaneous, Memorial Day, Insurance, Spring Grove Cemetery, Hay Scales, Park Commission, Tree Warden, Public Dump, and other town charges and expenses.

Article 5th.—To see if the town will instruct the Board of Public Works to lay a water main from the present dead end on High Street to the house of Arthur R. Stevens, for the purpose of supplying the residents with water for fire and domestic purposes, and appropriate a sum of money therefor, on petition of George C. H. Dufton and others.

Article 6th.—To see if the town will instruct the Board of Public Works to lay a water main on Dascomb Road, from Osgood Street to the house of A. F. Curtis, and appropriate a sum of money therefor, on petition of Charles Greene and others.

Article 7th.—To see if the town will instruct the Board of Public Works to lay a water main from the present dead end on Wolcott Avenue through said avenue to Walnut Avenue, and appropriate a sum of money therefor, on petition of James S. May and others.

Article 8th.—To see if the town will plow gutters and grade the road on Haverhill Street from a point at or near George Mander's to Main Street, or such parts of same as now have no gutters, on petition of Frank O. Barton and others.

Article 9th.—To see if the town will erect and maintain an

electric light on Summer Street, near the house of George E. Morse, and appropriate a sum of money therefor, on petition of Emmanuel Downing and others.

Article 10th.—To see if the town will appropriate the sum of seven hundred and twenty-five dollars ($725.00) to equip the fire alarm with a storage system, on petition of the Board of Engineers and others.

Article 11th.—To see if the town will appropriate the sum of one hundred and twenty dollars ($120.00) for rent of hall for use of Post 99, G. A. R., on petition of Peter D. Smith for Post 99, G. A. R.

Article 12th.—To see if the town will accept the provisions of Section 1, Section 2, Section 4 and the eight following sections of Chapter 104, of the Revised Laws of Massachusetts, on petition of J. Warren Berry and others.

Article 13th.—To see if the town will appropriate a sum of money sufficient for installing a fire alarm box at the corner of Lowell Street and Lovejoy Road, on petition of Robert A. Watson and others.

Article 14th.—To see if the town will establish and maintain a fire alarm box to be located at the corner of Lovejoy and Dascomb Roads, and appropriate a sum of money for the same, on petition of Freeman R. Abbott and others.

Article 15th.—To see if the town will establish and maintain four electric lights to be placed on Porter Road, from the residence of Edward Brooks, to the junction of Woburn Street and Porter Road and appropriate a sum of money therefor, on petition of Peter Shevlin and others.

Article 16th.—To see if the town will build a sidewalk on the east side of Hidden Road, from the residence of H. Bradford Lewis to the residence of Allen Hinton, and appropriate a sum of money therefor, on petition of Allen Hinton and others.

Article 17th.—To see if the town will revise and accept the list of Jurors as prepared and posted by the Selectmen.

Article 18th.—To see if the town will appropriate the sum of five hundred dollars, ($500.00), for a Fourth of July Celebration, on petition of William C. Crowley and others.

Article 19th.—To act upon the report of the Town Officers.

Article 20th.—To fix the pay of the Firemen for the ensuing year.

Article 21st.—To determine the method of collecting the taxes for the ensuing year.

Article 22nd.—To determine what disposition shall be made of unexpended appropriations.

Article 23rd.—To authorize the Town Treasurer to hire money for the use of the town in anticipation of taxes for the current year, upon the approval of the Selectmen.

Article 24th.—To determine the amount of money to be raised by taxation the ensuing year.

Article 25th.—To transact any other business that may legally come before the meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Selectmen at the time and place of meeting.

Given under our hands at Andover, this nineteenth day of February, in the year one thousand nine hundred and six.

B. FRANK SMITH,
WALTER S. DONALD,
SAMUEL H. BAILEY,
} *Selectmen of Andover.*

REPORT OF
BOARD OF PUBLIC WORKS

To the Citizens of Andover:

Your Board of Public Works submit their seventh annual report, embracing the ninth of the Sewer and the seventeenth of the Water Systems for the year ending January 10th, 1906.

SEWER DEPARTMENT

About 48 feet of pipe on Whittier street is all the addition to the sewer this year. No extensive repairs have been required and no trouble has developed in the usual working of the system.

The filter beds with the usual repairs that are common each spring are in very good condition. Thus far this manner of disposing of the sewage has been very satisfactory and as it now appears it will not be very long before all inland cities and towns will have to adopt some process of filteration of the sewage or dispose of it by some other method than running it directly to some flowing stream to be carried away and distributed along the banks. Should this be the case, this town will be all right without any change or extra expense.

The bonded debt is now $70,000 and the sinking fund $3,212.33 leaving a net bonded debt of $66,787.67. Since the first year the town has not made any appropriation directly for either the sinking fund or for maintenance, or interest, all of these thus far coming from sewer assessments. But as the sinking fund is now very small, it having been required from time to time to redeem bonds as they matured, it will be necessary for the town for several years to come, to appropriate money for this fund as many of the bonds

mature in a few years and the receipts from assessments will not be sufficient for their redemption. Enough, however, will be received for all ordinary expenses, for a few years more.

WATER DEPARTMENT

The following shows the comparative financial condition of the system to the present year:

	1890	1895	1900	1905
Received for water rates,	$3106.38	$8434.15	$10668.47	$12409.79
Maintenance,	3157.35	4380.13	4915.23	*7228.82

*This includes repairs on coal shed.

	No. Services	No. Meters	Bonded Debt	Sinking Fund
1890	309	80	$160,000	$1062.65
1895	706	278	170,000	3997.29
1900	876	643	145,000	9296.16
1905	1013	791	120,000	15372.27

The expenses of maintenance for 1905 were divided as follows:

Pumping station,	$3426.99
Office expenses,	1337.96
Care of teams, reading meters, repairs and general maintenance,	1803.51
Repairs on coal shed,	660.36
	$7228.82

Gallons of water pumped, 164,150,878.
Cost per million gallons figured on pumping expenses, $20.87.
Cost per million gallons figured on total maintenance, $44.03.
Receipts from water rates, $12,409.79.
Received per million gallons pumped, $75.60.

Additions to street lines have been made on Pine, Corbett and Reservation streets.

The receipts from water rates show a steady increase. All water rates due to October 1st, 1905 have been collected.

The water has been exceptionally good which is very gratifying as during the past year there has been more than usual trouble with the water in the different systems in the state.

A number of applications for a supply of water have been received which if their requests are granted will necessitate the laying of considerable street pipe.

While this Board has always favored granting to the citizens all privileges consistent with the welfare of the system and the town, it is a question whether it is good policy for the town to lay pipe on streets where there is little or no prospects of the line ever being utilized to any extent beyond what is visible at the time. Whenever a special line of pipe is laid and only 4 per cent. collected on the cost of the line the town receives nothing whatever for the water furnished, and all expenses for pumping the extra water and the care and maintenance of the system with this extra expense must of necessity come from some other source.

The repairs on the coal shed at the station have been of a permanent nature, as few as possible and the whole building is now in many respects in much better condition than formerly.

The station has had no repairs and none were needed. The grounds about the station are not in harmony with the building, the amount of money available for several years has not justified the Board in expending much to improve the surroundings.

Sometime it is hoped that funds will be provided and the grounds improved and made more attractive.

A new boiler will be required to replace the old one which has outlived its usefulness, and is now or soon will be unsafe for the duty required.

George E. Hussey who has very acceptably filled the position of clerk and collector for the past ten years, resigned at the close of the year and Frank L. Cole was elected to the position.

Very respectfully,

JOHN L. SMITH
FELIX G. HAYNES
LEWIS T. HARDY
JOHN W. BELL
JAMES C. SAWYER

SUPERINTENDENT'S REPORT

To the Board of Public Works:

During 1905, 449 feet of eight-inch and 1960 feet of six-inch pipe was laid and one eight-inch, three six-inch valves and four hydrants were set as follows:

Smith & Dove Manufacturing Co., fire pipe, 449 feet of eight-inch, 30 feet of six inch pipe, one eight-inch, two six-inch valves and two hydrants.

Reservation street, from Lowell street to house of George Averill, 936 feet of six-inch pipe, one six-inch valve and one hydrant.

Corbett street, from dead end to house of Walter S. Walker, 946 feet of six-inch pipe, one hydrant.

Pine street, from dead end toward Elm street, 48 feet of six-inch pipe.

Total length of main pipe in service, 30.950 miles.

Total number of public Hydrants, 223.

Thirty-two applications for service pipes were received and thirty-two services laid.

Total number of applications received to date, 1042.

Total number of services in use, 1013.

The following list shows length and number of services in use:

	Kind,	Cement Lined.	Lead Lined.	Tarred.	Lead.	Cast-Iron.	Total.

A stand pipe for street sprinkling was erected at the corner of Elm and Whittier streets.

Thirty-six meters were set and two discontinued during the year.

Total number of meters in use, 791.

The rear wall of the coal shed has been rebuilt with heavy stone work, the ground filled to a level with the door sills and the floor concreted. A covered run has been built between the coal shed and boiler room.

On the inspection of No. 2 boiler in October, the Hartford Steam Boiler Inspection and Insurance Co., notified us that it would be better to replace this boiler with a new one rather than make the expensive repairs which would be required to make the boiler reasonably safe at the pressure used.

Sewers

The only common sewer laid during 1905 was 48 feet on Whittier street.

Twenty-seven applications for house connections were received and twenty-eight connections laid during 1905.

Total number of applications to date, 465.

Total number of connections in service, 447.

Length of connections laid during 1905, 1727 feet.

Total length of connections in service, 28055.

Storm sewers were laid for the Street department on River and Morton streets, and a private sewer was laid for Smith & Dove Mfg. Co.

Foundations and arch for small bridge was also built by this department for the Park Commissioners.

The operation of the sewer system has been very satisfactory, one stoppage has occurred on a house connection.

Respectfully submitted,

JOHN E. SMITH.
